DRIVEWAY GATES

Entrance with style

NEW

Driveway Gates

The Driveway Gate is a truly versatile and affordable domestic style gate ideally suited to both rural and urban properties.

The modular design allows customers to choose between different width, height and swinging options.

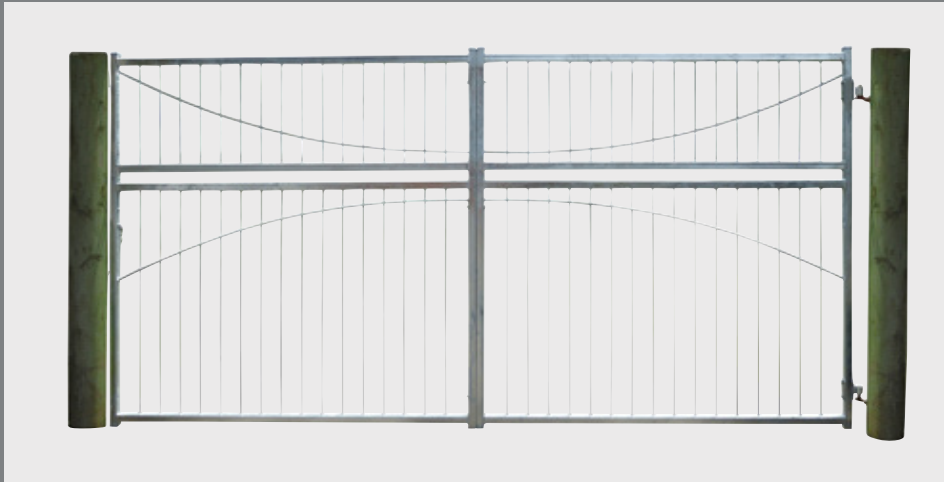

Customers are also able to create a multitude of design patterns by altering gate hanging side and direction.

GATE OPTIONS

1.82 m (6 ft) w x 1.2 m (4 ft) h (F7106)
+ 0.6 m (2ft) Top Extension (F7206)

2.13 m (7 ft) w x 1.2 m (4 ft) h (F7107)
+ 0.6 m (2ft) Top Extension (F7207)

Drop Over Latch (F0309)

* Images shown includes 2 x 1.82 m (6 ft) width gate and 2 x 0.6 m (2 ft) Top Extensions

Driveway Gates

- Easy to use and quick to assemble
- Highly attractive with multiple design options

CONSTRUCTION

Fully hot-dip galvanized for longer life and durability

Extension fittings included for easy addition of top panel extension
